Federal vs. State Softball Game: CCBA's Annual Game

CHESTER COUNTY, PA – August 9, 2011 – The heat is on, as the annual battle between the Federal vs. State lawyers go head-to-head on the softball field. The courtroom battles wait for this time of year, when it is a hot August evening where they can duke out their differences on West Chester University's softball field. The Chester County Bar Association's annual *Federal vs. State Softball Game* is to be held on Wednesday, August 10, 2011 at 6:00 PM at the West Chester University Softball field. Members of the media are encouraged to come out on Wednesday evening to cover some of the area's most prominent lawyers, judges, prosecutors, defense attorneys and sheriff's deputies as they mix it up outside the traditional confines of the courtroom.

The *Federal vs. State Lawyers Softball Game* is one of the Chester County legal community's standing traditions. The first annual *Federal vs. State Lawyers Softball Game* took place in 2005 under the leadership of then President, Jamie W. Goncharoff, Esq. and continues to be one of the Bar's most popular social events. This year's first pitch will be thrown out by U.S. District Judge J. Curtis Joyner, a former Chester County prosecutor and judge who was recently named Chief Judge of the United States District Court for the Eastern District of Pennsylvania.

Recent years have seen the wily veterans of the Federal team dominate the annual slugfest. Will 2011 be the year that the feisty, title-hungry State Lawyers finally triumph? Come by for some great photo opportunities, humorous storylines, and to witness an action-packed game where both sides have a lot on the line: bragging rights for the next 364 days.

Event Information:

Federal vs. State Lawyers Softball Game
Wednesday, August 10, 2011, 5:15 PM – 8:00 PM
West Chester University, Softball Field
West Chester, PA 19380

About the Chester County Bar Association

The Chester County Bar Association provides many services to its members and the community of Chester County by offering a variety of programs directed toward a better understanding of the legal system. Through the Association, members can expand their knowledge, enhance their practice and better fulfill their responsibility of providing efficient, skillful access to the legal system. Our member and public service programs provide opportunities for enhancement of professional and personal goals. The Association provides many opportunities for its members to become involved in public service through the Pro Bono and Law Related Education programs, which have received national recognition from the American Bar Association.
