FINANCIAL SOLUTIONS FOR WOMEN

Financial Solutions for Women was developed by a team of personable, credentialed women dedicated to providing sound financial advice to women in the community. Our team inspires and educates women to take charge of their financial lives by offering one-on-one consultation and educational seminars which address women's concerns: dealing with life's transitions - divorce, widowhood, inheritance; planning for a secure retirement - financial planning; effectively managing your wealth - estate planning, philanthropy.

PRIVATE BANKING

Private Banking provides personalized, individual service to clients who deserve additional attention. It is more than traditional banking; it is about finding innovative options for a client's unique and complex financial objectives.

Your relationship manager will make it a priority to thoroughly understand your wealth needs and aspirations and, in conjunction, develop a customized plan to build, manage, preserve, and transfer your wealth. We have designed a full suite of products specifically for our Private Banking Clients including: a personal banking relationship manager, tailored credit and financing services; comprehensive deposit services; customized cash management services.

"The Professional Partnership Program is an exciting member benefit offered by IN Bank, providing you with even more value for your Association membership if you are already a member, and great incentives to join if you are not."

Wendy Hoffman, CCBA Executive Director
